Secret Santa! Adopt an entire family

By becoming a Secret Santa, you are committing to purchasing gifts for all children within one family. This option is great for those who really want to purchase individualized gifts! Information regarding what to gift will be provided to you once you are matched to a family. Details about the family will be sent to you by November 22, 2022.

To become a Secret Santa and adopt an entire family, please select the number of gifts you can sponsor: 1 2 3 4 5 6 # _____

HELPFUL ELF: Giftcards to the rescue (please select an option below)

As a helpful elf, you can provide your adopted family with an **additional** gift card or simply choose to donate a gift card(s) that will be allocated to a family in need.

- I choose to provide my adopted family an extra gift card for the amount of \$_____.
- I choose to **only** provide a gift card for a family in need in the amount of \$_____.

We recommend purchasing VISA or local grocery store gift cards. Please keep in mind that many of our families do not have reliable transportation or hold membership to certain stores (COSTCO). Please feel free to reach out to ask what neighborhood grocery store would be best for your sponsored family. You can either drop off the gift card, add it to your sponsored family, or donate money that will be used to purchase one through our website, www.sbpal.org.

RED NOSE REINDEER: Financial Sponsor

Help guide us through the stormy night by making a financial contribution! Your financial contribution will go towards a family gift card or help purchase gifts for a family who was not sponsored. You will not need to purchase individual gifts but will still help a family in need. Your financial contribution, no matter the amount, makes a huge difference!

I will provide a financial contribution in the amount of \$_____.
